Kind Attn: Mr. S K Tiwari

Dear Sir,

ARALDITE® EPOXY SYSTEM

This has reference to your letter dated 15/02/05 and subsequent to our telephonic discussion on 22/02/05. We would like to bring it to kind attention that we are a leading Global manufacturer of Epoxy Resin Systems and have been serving the Indian industry for more last more than five decades with our **Araldite®** Epoxy Systems. We have undergone few apparent changes in the last few years, as part of dynamic environment prevailing in the chemical industry globally.

New Ownership for Araldite®

Effective July 1, 2003 , worldwide Vantico became part of **Huntsman** group of companies.

Huntsman is the world's largest privately held chemical company with over 15,000 associates, operations in 30 countries and more than \$9.5 billion in annual revenues. Huntsman group has grown through making strategic acquisitions and carefully planned internal expansions, and what Huntsman believes is a well-earned reputation for honesty, integrity and close working relationships with customers and suppliers.

We are pleased to inform you that the Registrar of Companies, Maharashtra has approved our request for a change in the name of the company from:

VANTICO PERFORMANCE POLYMERS PRIVATE LIMITED

To
