

India's 1st **ugra** Certified Print Service Provider

To whom so ever it may concern

We are completely satisfied with epoxy flooring done by Reliance Chemicals and Services. They have re-carpeted approximately 30,000 sq ft of floor in our factory premises in the month of April-May 2012 and till date the floor is totally intact with respect to the floor finish and is able to with-held pallet movements.

For Janus Packaging (P) Limited.
